

HOW INDIANS BROKE WILD HORSES

Name:

- Primary Source 1
 - Who is the author?
 - When was the source created?
 - What is the author describing?

 - In your own words describe what the writer is telling you.
 -

 - What most surprises you about the reading?
 -

 - How do you think this would be different if it was made today?
 -

- Primary Source 2
 - Who is the author?
 - When was the source created?
 - What is the author describing?

 - In your own words describe what the writer is telling you.
 -

 - What most surprises you about the reading?
 -

 - Why do you think there are similarities between the two sources given that the tribes described are separated by nearly 1,000 miles?
 -

Extension

Pick one of the two primary sources and create a historically accurate image showing what the writer is describing.
